THE ORPHAN-HOUSE Accounts.

THE following Sheets, to the best of my Knowledge, contain a faithful Account of what Money I have received, as also how I have disbursed it, for the Use of the Orphan-House in *Georgia*.

I think, with a full Assurance of Faith, I may affirm the Lord put it into my Heart to build that House. It has prospered beyond Expectation. It has already, and I hope will yet more and more answer its Name (*Bethesda*) and be a House of Mercy to the Souls and Bodies of many People, both old and young.

When I left *England*, I proposed to take in only twenty Children. But when I arrived at *Georgia*, I found so many Objects of Charity, besides the Orphans among the poor People's Children, that I resolved in this, as well as in all other Respects, to imitate Professor *Frank*, and make a Provision for *their* Maintenance also.

Two of the Orphan Boys were put out Apprentices, just before I left *Savannah*; one to a Bricklayer, another bound to a Carpenter; a third is to be bound to the Surgeon belonging to the Orphan-House; one weaves in a Loom at home; two I put to a Taylor I brought over, and the rest are now fitting themselves to be useful to the Common-wealth. Whoever among them appear to be sanctified, and have a good natural Capacity, those, under God, I intend for the Ministry.

None of the Girls are put out as yet, but are taught such Things as may make them serviceable

whenever they go abroad. Two or three of them spin very well. Some of them knit, wash, and clean the House and get up the Linen, and are taught Housewifery. All capable are taught to sew. And the little Girls, as well as the Boys, are employed in picking Cotton. I think I have no less than 382 Yards of Cloth already in the House, and as much Yarn spun as will make near the same Quantity, "A Thing not known before in *Georgia*."

I have now 49 Children under my Care, 23 *English*, 10 *Scots*, 4 *Dutch*, 5 *French*, 7 *Americans*. Twenty two of these are Fatherless and Motherless, 16 Boys and 6 Girls. The others are some of them Fatherless, and some without Mothers; all Objects of Charity, except three, whose Friends recompense the Orphan-House for their Maintenance. One of the Orphans is an Infant. I pay four Shillings *per* Week for nursing it. Since *December* last, we have had above 18 more Children that have been maintained occasionally, to assist their Parents, and been dismissed when they were wanted at home.

The Account which I find Mr. *Seward* has given of our Oeconomy, has in a great Measure prevented my doing it as I intended. Let it suffice to inform our Benefactors, that tho' the Children are taught to labour for the Meat which perisheth, yet they are continually reminded to seek *first* the Kingdom of God and his Righteousness, and then to depend upon God's Blessing on their honest Endeavours for having Food and Raiment added unto them. This Precept of our Lord, I intend, when the House is finished, to have written over against the Entrance in at the great Door.

As my Design in founding the Orphan-House was to build up Souls for God, I endeavour to preach most of all to the Children's Hearts. But that they may be able to give a Reason of the Hope that is in them, I constantly instruct them out of the Church of *England's* Articles, which I turn into catechetical Questions. I am often pleased to hear how judiciously some will
answer

answer to the Questions put to them. The Power of God has been frequently visible among the Children. Many of the Girls seem to be tender-hearted. Several of the Boys have been under strong Convictions. And tho' it sometimes seems buried, yet I cannot but think the Seed of Grace is sown in some of their Hearts.

We are now all removed to *Bethesda*. We live in the Outhouses at present ; but in less than two Months, the great House will be finished so as to receive the whole Family.

It is now weather-boarded and shingled, and a Piazza of 10 Foot wide built all around it ; which will be wonderfully convenient in the Heat of Summer. One Part of the House would have been intirely finished, had not the *Spaniards* lately taken from us a Schooner loaded with ten thousand Bricks, and a great deal of Provision, with one of our Family. And therefore, I could not till very lately procure another Boat to fetch Brick from *Charlestown*.

Notwithstanding this, and many other Hindrances, the Work has been carried on with great Success and Speed. There are no less than 4 framed Houses, a large Stable and Cart-house, beside the great House. In that there will be, I think, 16 commodious Rooms, besides a large Cellar of 60 Foot long and 40 wide. Near 20 Acres of Land are cleared round about it, and a large Road made from *Savannah* to the Orphan-House, 12 Miles in Length ; a Thing not before done since the Province has been settled.

None but those upon the Spot can tell the Expence, as well as Ill-conveniency that attends building in *Georgia*. Most of our Bricks already used, cost 40 s. *Sterling per* Thousand when landed at the Plantation. Common Labourers, besides their Provisions hitherto, have 25 s. *Sterling* a Month. And, after all, the Produce of the Land cultivated by white Servants, will scarcely furnish them with ordinary Food and Raiment, exclusive of the Expences of Sicknes and Wages. I cannot see how it is possible for the Colony to subsist
on

on its present Footing. And in a late Memorial given in to the Honourable Trustees, unknown to me, the People have declared, that if it were not for the Money that has been expended on Account of the Orphan-House, the poor Inhabitants of the Northern Parts of the Colony must have been obliged to move to some other Place. Never did a Country stand more in Need of a Charity-School.

We have often been in some Difficulties, but the Lord as often relieved us out of them. When the Schooner was lost, a Person lately converted sent us 11 Barrels of Rice, and 5 Barrels of Beef. And in my Absence, when my Family had little or no Provisions, the *Indians* brought in Plenty of Deer, till they were supplied with Food some other Way. The Contributions in *Charlestown*, *New-England*, *New-York*, and *Pensylvania*, I think have been extraordinary.

The Infirmary, which has likewise been supported by this Institution has been of great Service. The Surgeon informs me, that if every one had been to pay for their Nursing and Medicines, it would have cost them 200 *l. Sterling*. I have now three or four sick. I keep a Woman to attend them constantly.

God has much blessed our Family with Health.—Only two have died out of so large a Number, since my Arrival; and those were two that came with me from *England*.—The Taylor, and one of the Women. I believe they are now with God.

I have left behind me, as my Assistants, who have no other Gratuity than Food and Raiment, two School-masters and their Wives who are School-mistresses. One young Man, who is also married to a young Maiden lately brought Home to God, at the Orphan-house, as Superintendent, and chief Manager of the outward Things. The Surgeon and his Wife; a Shoemaker and Spinstress, besides Labourers and monthly hired Servants: I think, in all, I have upwards of 80. The Lord, I am persuaded, is able and willing to provide for them.

I think we have near 100 Hogs, and 100 Head of Cattle.

I give a Man 40 *l. Sterling*. per *Annum* to take Care of them.—He providing himself with Provision, Horses and a Servant. As yet we have had no Advantage from our Stock, it being a very dry Season last Summer: So that our Cattle of all Kinds have scarce Food to eat. But in a Year or two, we hope, by the divine Blessing, to have a considerable Quantity of fresh Provisions for our Family.

As for manuring more Land than the hired Servants and great Boys can manage, I think it is impracticable without a few Negroes. It will in no wise answer the Expence.

I am now several hundred Pounds in Debt, on the Orphan-house Account. Some particular Friends have been pleased to assist me. I doubt not but our Lord will enable me to pay them, and also raise up fresh Supplies for the Maintenance of my large Family.

I much rejoice in the Institution. It has been very beneficial, not only to the Bodies, but also to the Souls of the Labourers. One Woman received Christ very lately at *Bethesda*; and I have great Reason to believe that 3 or 4 Strangers, that came to see us, have been effectually brought Home to God. My Journal must be refer'd to for Particulars.

Great Calumnies have been spread abroad concerning our Management of the Children. People shoot out their bitter Arrows in *America*, as well as in *England*. One poor Man was filled with such Resentment at the Reports he had heard of our Cruelty to the Children, that he came one Day out of *South-Carolina*, to take away two of his Boys, which, out of Compassion, I had taken into the Orphan-house: But, when he came and saw the Manner in which they were educated, he was so far from taking his Children away, that he desired to come and live at the Orphan-house himself.

I speak not this by way of boasting, or to wipe off Reproach; for I know, let me do what I will, I shall never

never please natural Men. I thought proper to give this short Account, for the Satisfaction of those who have already contributed, or shall be stirred up by our good God to contribute hereafter towards carrying on this good Design.

That the Children may learn to be grateful, they frequently sing the following Hymn for their Benefactors.

- 1 *Father of Mercies, bear our Prayers,
For those that do us Good;
Whose Love for us a Place prepares,
And gives the Orphans Food.*
- 2 *Their Mites in Blessings on their Heads
A thousand Fold restore;
O, feed their Souls with living Bread,
And let their Cup run o'er!*
- 3 *Thy Bounty, Lord, in Christ built up,
Let them for ever prove:
Stedfast in Faith, joyful thro' Hope,
And rooted deep in Love.*
- 4 *For those who kindly this Support
A better House prepare;
And when remov'd to thy bless'd Courts,
Oh let us meet them there.*

That they may always look to the Rock from whence they are hewn, they sing daily this Hymn.

- 1 *Come let us join our God to bless,
And praise him evermore;
That Father of the Fatherless,
That Helper of the Poor.*
- 2 *Our dying Parents us for sake,
His Mercy takes us up,*

Kindly

*Kindly vouchsafes his own to make,
And he becomes our Hope.*

3 *For us, he, in the Wilderness,
A Table has prepar'd;
Us, whom his Love delights to bless,
His Providence to guard.*

4 *Known unto him are all our Wants,
And when we seek his Face,
His open Hand our Bodies feeds,
He feeds our Souls with Grace.*

5 *Then let us in his Service spend,
What we from him receive;
And back to him what he shall lend,
In Thanks and Praises give.*

That they may learn to labour truly, to get their own Living, they sing as follows before they go to work.

1 *Let us go forth, 'tis God's Command;
Let us make hast away,
Offer to Christ our Hearts and Hands,
We work for Christ to Day.*

2 *When he vouchsafes our Hands to use,
It makes our Labour sweet.
If any now to work refuse,
Let not that Sluggard eat.*

3 *Who would not do what God ordains,
And promises to bless?
Who would not 'scape the Toils and Pains
Of sinful Idleness?*

- 4 *In vain to Christ the Slothful pray;
We have not learn'd him so.
No; for he calls himself the Way,
And work'd himself below.*

- 5 *Then let us in his Footsteps tread,
And gladly act our Part,
On Earth employ our Hands and Head,
But fix on Heaven our Heart.*

The following Hymn was composed to be sung at the Admission of a new Child or Children.

- 1 *Welcome dear Brethren, whom we love;
Bethesda this we call.
A House of Mercy may it prove
To you, to us, to all!*
- 2 *What tho' our Parents dear are dead,
Yet our great God provides.
Our Bodies here are cloth'd and fed;
Our Souls have Christian Guides.*
- 3 *The heavenly Manna, Day by Day,
Freely to us they impart;
Let us not trifle Time away!
But lay it in our Heart.*
- 4 *O let the Love of Christ constrain!
Why should we need a Rod?
Few e'er such blessed Means obtain
Of leading them to God.*

Besides these, they generally sing a Grace before and after Meat, and are taught so to vary their Exercises, that they may not be cloyed by a too frequent Repetition of the same Things on the one Hand, and yet be kept in such a general Method that they may not learn to be desultory and fickle on the other.

God only knows the Concern that lies upon me on Account of this Family, not only in Respect to their bodily, but their Spiritual Provision. And therefore I hope all that wish well to Zion, will help me with their Prayers, as well as their Alms, that it may grow up a holy Temple to the Lord, and be blessed; that it may rightly be styled *Pietas Georgiensis*, and like the *Pietas Hallensis*, or Professor Frank's Orphan-house at Glaucha near Hall, become the Joy of the whole Earth, Even so, Lord Jesus, Amen, and Amen.

Bethesda, December 23, 1741.

GEORGE WHITEFIELD.
